

How to Access Friends' Recipes on Dish Dish

- Visit the website: <https://dishdish.us>
- In the upper right hand corner, select “Create Account” and follow instructions for creating an account
- Log in to your account
- Select “My Account” in upper right hand corner
- Select “Members” and in search box type username of group, friend or family member
- Select “Add Friend” to right of their username
- When they accept your friend request, you will receive an email verifying their acceptance
- Then, log into your account, select “My Cookbook” in upper right corner, then “Friends Cookbook”, and click on their username to access and search all of their recipes on Dish Dish.
- Download the Dish Dish Online Cookbook app for on-the-go access (on [iTunes](#) & [Google Play](#)).
